

**Thursday, February 1**  
6-9pm, Free admission

Select Night heats up at the Contemporary with fire and books (we promise we won't be burning any). In fact, in celebration of **THE BIG READ** and **Bradbury's Fahrenheit 451** we're asking that you donate a new or used book to the libraries that suffered from Hurricane Katrina. Bring the books to Select Night and exchange them for drink tickets, and we'll ship the books down to New Orleans.

There's a hot line-up this Thursday night including special performances by **Pandora's Matchbox** and **Viva Salsa**, sizzling salsa beats by **DJ Latin Power**, fiery video by **Zlatko Cosic**, spicy-hot food by **Wolfgang Puck** and cold, cold drinks by **Budweiser Select**.

The evening starts at 6pm and moves down to the Central West End to **Club Viva**. Admission is free. Guests must be 21 or older to enter.

Select Nights are made possible with generous support from Budweiser Select, St. Louis Magazine, and Wolfgang Puck.
